"To the extent Musk has a privacy interest in the fact that he holds a security clearance, he has waived it," Cote wrote. Meanwhile, "**the public has an interest in knowing whether the leader of SpaceX and Starlink holds the appropriate security clearances**," as those companies "continue to provide the federal government with critical national security services and handle sensitive government information."

"**I've had a top-secret clearance for many years and have clearances that themselves are classified**," **Musk wrote**, reposting a video of Congressman Mark Green (R-Tenn.).

ELON MUSK IS MALICIOUSLY SPYING ON THE INTERIOR OF MY HOME AND FOLLOWING MY FAMILY EVERYWHERE THAT WE GO WITH SUBTLE SPY-CRAFT THREATS!

FURTHERMORE, ELON'S SPY-CRAFT IS **TAUNTING US DAILY WITH THE FACT THAT HE CAN NOT SEE** ANY WAY THAT WE CAN STOP HIM!
